What are YOU saving for? Students just like you are investing with K.I.D.S. Stamps for college, computers and that first car. You can too! Once you invest four full K.I.D.S. stamp books, you can transfer your savings from the introductory dedicated account to an LCEF *StewardAccount*, or longer term floating note to earn higher interest.

Whatever you're saving for,... remember that once your balance reaches \$100 in total (4 full stamp books) you can transfer those funds (free) to a higher earning LCEF investment. See enclosed brochure; applications and current rates are available at www.lcef.org or call 1-800 THE LCEF.

Thank you for helping your child as he/she learns first-hand how to set savings goals and support God's work at the same time. Your family's LCEF investments help fund our church/school construction (see reverse) at home and abroad.
