July: Consecrated Stewards

“God helped us understand that stewardship is not about the needs of the church. Rather, it is about the need of the giver to give to the Lord in reflection of our love for Him.” This is how Mike Mickelson felt after his congregation, Timothy Lutheran of Blue Springs, Missouri, engaged in Consecrated Stewards (CS,) a four-week program. Mickelson learned firsthand that Consecrated Stewards can raise people to a new level of spiritual commitment by urging members to take a step forward in faith in light of God’s grace. Call 1-800 THE LCEF (1-800-843-5233) for more information.

October: Are Your Kids Saving?

Credit card companies are aggressively marketing our young adults, so the fact that 18-34 year olds are one of the fastest growing age segments filing for bankruptcy today is hardly surprising. However, it’s not what we wish for our children and grandchildren. The Lutheran Church Extension Fund (LCEF)’s K.I.D.S. Stamp program helps children learn to invest, plus they’re helping the Church at the same time. Visit lcef.org or call 1-800-843-5233 and ask about a K.I.D.S. Stamp program.

November: LCEF’s HSA. What is it?

With the onset of rising health care costs, one viable health plan option for some employees is the high-deductible health plan. Many employers offer an HDHP as one of their health coverage options. HDHPs that are compatible with health savings accounts allow employees to use an HSA to pay qualified medical expenses with pre-tax and tax-deductible dollars. See if an LCEF HSA is right for you, contact lcef.org or call 1-800 THE LCEF (1-800-843-5233) for more info’.
