

**“I am so excited about my son’s growth with money management since we started giving him an allowance and helping him divide it among share, save, and spend. This year he bought all his school supplies with money from his allowance! Approaching age 9, he’s become quite the comparison shopper. I hope more parents catch on to the wonderful growth that a little of their time invested can yield. Thanks for K.I.D.S. Stamps!”**

***Minnesota LCMS parent Diane Streich, September 2009***

**Sit down with your children and help them divide their money appropriately. Just ten minutes a week can help children learn to support the Church, help others and plan for their own future financial needs. What a blessing!**

**LCEF’s K.I.D.S. Stamp program offers free K.I.D.S. stewardship boxes to help teach the basic concepts of sharing, investing & spending. Remember to always encourage offering first as we give back to the Lord in love and thankfulness for all that He has given us.**

**Want to start a K.I.D.S. Stamp program at your LCMS Sunday or Day School? Need more information or supplies? Contact LCEF Promotion Director Maria Hendrickson at [Maria.Hendrickson@MNSDistrict.org](mailto:Maria.Hendrickson@MNSDistrict.org), 612-802-9731 or the **national Lutheran Church Extension Fund office at [lcef.org](http://lcef.org) or 1-800-843-5233!****
